**TOGGLE SWITCHES**

Finally! Your one source for all your Toggle Switch requirements and more! Why go anywhere else for all of your Toggle Switches when Techspan has made finding the perfect one(s) for your job, as easy as 1-2-3? When you purchase with Techspan, rest assured you're getting a huge selection of quality toggle switches no matter how big or small your project with very competitive pricing and volume discounts that can't be beat anywhere on the internet!

**Don't see what you need? No problem, we also offer COLE HERSEE products for even more switches.**

You may also chat live online or call (toll free) our friendly and very knowledgeable customer service staff.

Most Techspan Toggle Switches are UL listed and CSA certified.

Typical applications include industrial controls, marine panels, truck and bus, off-road, recreational vehicles, marine, agricultural, and emergency vehicles.
